

# Bible Reading Plan 2023

## December 2023 – Luke: Good News of Great Joy

This book, written by Luke the physician, gives a detailed account of the birth, life, ministry, death, and resurrection of Jesus the Son of God. It gives the most detailed account of the Christmas story as well as a look at Jesus' compassion for all people, both Jews and Gentiles alike. This account helps the reader to see both the divinity and humanity of Jesus, challenging us to count the cost of following him and to emulate His example of sacrificial love for everyone we encounter. Some have even called it "the most beautiful book ever written."
