

# Bible Reading Plan 2024

## November 2024 – The Minor Prophets of God (Part 2)

These books, sometimes referred to as “the Book of the Twelve,” make up the final section of the Old Testament. They consist of Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi. The “minor” designation pertains solely to their shorter length in comparison to the five “major prophets” but doesn’t imply that they have less theological importance. Their central point is that Jews and Gentiles alike need to repent of sin and live for God, who is loving and just, so that on the day of the Lord they will receive the blessings that come through His promised Messiah, rather than face His judgment (*Got Questions*). These books are filled with prophecy that believers looked for in the coming Messiah, and we now look back, fully understanding that these prophets were pointing to the One, who is Christ Jesus the Lord.
