September 2024 – The Gospel is Still Good News

The Gospel is *good news* because it gives us the answers to life's biggest questions and the solution to humanity's biggest problems. The Book of Romans (written by Paul) gives us the bad news before it gives us the good news. And the bad news is the fact that we are all sinners in need of a Savior. Our sin separates us from God, but the good news is that Jesus came in order to bridge that gap and offer us salvation and an eternity with Him. The books of 1 & 2 Corinthians were written to a church that had lost sight of the Gospel through sin and division. Paul is writing to them in order to restore them to their foundation and first love, which is Jesus Christ, the author and perfecter of their faith. This Gospel is still good news for us today!
